walls / shelves / mantels

about stoll

Stoll Fireplace, Inc. was established in 1969 when Mr. William Stoll designed and hand-crafted a custom screen for his South Carolina home. After 48 years Mr. Stoll's Christian values continue to be the guiding principles of the company's ethical standards and customer satisfaction. Today, the 3rd generation of the family continues to build on Stoll's reputation in the industry for innovation, customer support, and quality hand-crafted products for the home. Our wide range of fireplace products, decorative metal wall and backsplash cladding, floating shelves and kitchen and Pantry doors can be found in the finest specialty stores, and kitchen and design centers all across US and Canada.

● wall panels

Add an extra dimension to a new home or resurface an existing wall with Stoll's decorative wall cladding. Highly customizable, our wall panels compliment just about any room or setting, including kitchen backsplashes. Using 1/8" hot roll steel or 304 grade stainless steel the designers at Stoll can create endless designs and styles to fabricate the perfect solution for your home or office.

style options

horizontal
Individual panels running parallel from floor to ceiling.

shelves ●

Floating shelves are a popular décor concept, and no one does it as well as Stoll. Our endless design and color options, combined with our simple installation, make our metal shelves the perfect accent to any room. Our shelves are non-combustible, and provide protection for your entertainment center, while accenting your fireplace setting. Use our stainless steel shelves to add a modern, contemporary touch to your room, or for all outdoor applications.

features:

Non-combustible, simple installation, custom sizes, shapes, and styles.

metal shelf

With 6 standard sizes and endless custom shapes and styles, ordering a shelf for your fireplace or wall is simple at Stoll.

shelves / 16

decorative banding

Choose from 3 of our banding styles. Accented with rivets or our two-step hammering process, our hand-crafted banding wraps around and enhances the beauty of your shelf.

shelves / 17

elite glass

Features 2" thick artisan, hand-crafted glass. These shelves are produced one at a time. They are accented with brushed stainless or steel corbel supports.

mantels / 20

○ mantels

Using 14ga steel, each mantel is lasercut and formed to fit your fireplace perfectly. Choose from our Post and Beam design or our Traditional style to best suit your setting. With Stoll's wide range of finish options, you can accent your fireplace with styles ranging from modern to rustic.

◀ Traditional
Flexibility to customize the dimensions of the legs and header to best suit your style.

Post and Beam ▶
Features a more refined and simple profile that mimics the old wood mantels from the past.

standard finishes ●

Our powdercoat process offers a durable, lasting finish.
